INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Sir;

The name of my father was Ga-shur-ne, no English. Can't find out if he had other names. My mother's name was Lucy and don't think she and father were married in 1851. My mother was an ~~emigrant~~ old settler but father was an emigrant. I was born after 1851. I have been enrolled on all Cherokee rolls since my birth. My parents were never enrolled with any other tribe of Indians. My brother Jake Mankiller has also applied for his share, as has my sister Sallie Walker.

Yours etc.

Akey Christie.

I am about 57 years old: My mother was an Old Settler; my father was an Emigrant Cherokee. His name was Mankiller or Ga-skuh-ni-hih Ah-nee-skah-yah-dee-hih. My father was living with his parents in 1851: I am the oldest child and I was born about a year after the payment of 1852. My fathers brothers and sisters were Dah-dah-ye, she was a half sister on the mothers side. She was married and lived with a man by the name of Bon-se-ny., Ah-mah-doo-yah-kah, who lived a woman by the name of Annie at the time of the pay ent but she was an Old Settler. Ga-skuh-nih-hih. There were only three and they were all married in 1851: They lived in Flint District in 1851: They all lived in the same neighborhood. My fathers mother was named Sallie. She was living in 1851. (See Flint 139 for the enrollment of the father and maternal grandmother. The father was enrolled under the name of Ka-skun-nee. The Commissioner of Indian Affairs,

Sir:--

I received your letter of Dec. 1st. 1906. in the Katie Springwater case, of my treatment of her at the time of making her claim, as to charges--

In reply to her charge against me as to my fee, amount, and as to its payment then, she simply stated an untruth to you, and would be excusable for her act if the complaint was hers, but it was not hers, but her husband, a creature of heroic blood, though of child like form--capable of doing exactly as he did, alleging a falsehood--

Herewith I send you the application as made at the time, and on which I attempted to have an understanding at the time that I was to receive pay therefor when the money was paid to her from the govt, long or short-- calculating my fee to be on a whole claim two and one half percent, supposeing a full share to be not less than \$250.00.

My fee in all cases is understood to be just about that percent as stated, and proportionately less according to what share the applicant may receive in any one claim--

As to fees charged by others in these matters I must say I am ignorant as to the amount- though I have heard such and such was contracted for or charged or received at the time the application was made--such though was nor is it my affair to keep up with--

This woman is a negro, and her husband is a cherokee Indian and you can conclude his status from that relation he has to this applicant--

I do not understand that my services to and for these people will end with the simple making of the applications in each case, and I so state to them, that I am to aid and assist them all through to the final payment--I conclude and do this in view of the Old settler cherokee payment. My obligation for the fees charged is to assist them until their money is paid to them, and then my fee becomes due--

Whatever necessary expense arising in the matter in any case the my clients are to foot, large or small--as well as postal and other incidental costs arising in the cases--

If the application had been demanded at the making thereof, I would have delivered it to her, but she never opened her mouth after delivery of it to me, instead, the her boss asked for another blank an application and it was given him supposeing he would force her to make another one in place of the one I made--

So that is all there is in the case--
Very respectfully,

Vian, Ind Terr. Dec. 15. 1906.

Madam:

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, if you think that your parents were enrolled in 1851, please state as carefully as possible the names under which you think they were enrolled at that time. Why have you never been enrolled? Were you or your parents members of any tribe of Indians other than the Eastern Cherokee? If so, state the name of the tribe.

Very respectfully,

Special Commissioner.

Josephine A. Wood being first duly sworn, deposes and says:

That I am 50 years of age. I claim my Indian descent through my mother; my father was a white man. Both of my husbands were white men. My mother derived her Indian blood from her mother. Jesse Scott was my grandfather on my mother's side. Nancy Woodward was my grandmother on my mother's side. My mother was married twice. Carter was her first husband; then he died and she married my father. Don't know which name she was going by in 1851. My mother was 1/3 Cherokee. She had no other Indian blood. I think my mother's mother was an Old Settler. Don't know whether my mother was or not. My grandfather was living in 1851. My mother was living at Ft. Gibson in 1851. I have a sister named Alice Evans, living in Muskogee, Okla. My mother's second husband was named Andre. Nancy Woodward was a full blood. She died before I was born. She went by the name of Scott after marriage. My mother was about sixty when she died and she died in 1858. Jane and Susie were half sisters of my mother. Their name ~~was~~ was Scott. They were half sisters on the father's side. Margaret, Jane and Caroline were her full sisters. 15045 is my number on the Dawes Commission roll.

Rec. JAN 10 1908

116
SPECIAL COMMISSIONER OF THE COURT OF CLAIMS,

Eastern Cherokee Enrollment,
6 Murray Building,

Washington, D. C. January 7, 1908.

Hon. Simon Miller,

Washington, D. C.

Dear Sir:

Yours of the 3rd, of January, received and contents noted in reply will state that as my parents have been dead many years I have no means of knowing the facts in the case, other than stated in the application papers. My familys citizen ship has never at any time been disputed and I have drawn with the Cherokees at every "pro rata" distribution of both land and money, except the Old Settler Payments and I was debarred on the grounds of not being an Old Settler Cherokee, so of course must belong to the Eastern, as there are only two lawful branches that have a right to the invested funds, namely the Old Settlers and the Eastern, or those who came prior to 1851, as my mother was educated in the old missionary and National schools of the I.T. she was here long before, I was born in 1857, am her youngest child, my older sister was ten years older than I and was born in Fort Gibson also.

My self and all my children are now on the roll and have land allotted to ^{myself and} them all, and at no time were our rights ever been even questioned, as we are all on the 1880 rolls, which as being Cherokee Indians By Blood, would without doubt be conclusive evidence that we are "Boni fide", Cherokee Indian Citizens.

All those who came after the Rebellion are as you know not members of either branch of the two lawful owners whose forefathers did not exchange land with the U.S. Gov. but sold their land and came and located in the nation after the Rebellion and never were considered as being members of the United bands who hold the Patent in "fee simple" from the Government, issued in 1836, to the united bands; my family connection were all members of the united bands, and are I suppose on all the old rolls, before the Rebellion, but I do not remember, any particular dates.

I am on all the rolls since 1880, but do not know how many before that date.

My mother was Mary Scott and My Father Paul Andre and as I have never been allowed to draw Old settlers Money there can be no doubt that I am entitled to draw Eastern Cherokee Payments, as I am A Boni fide Cherokee Indian, and no Mistake about that, and never has been, at any date in the History of the Cherokee Nation. I hope you will be able to get my self and Children enrolled, and accept my thanks for your trouble.

Yours Truly,

Mrs. J. A. Wood.

Dear Sir

I received a communication from you some time ago in regard to my application Eastern Cherokee claim No. 6519. My grand parents are surely on the roll, probably by their Indian names as they are not on the red settler roll. My grandfathers indian name was Sa'choo wah and was no doubt in the Cherokee nation back east in 1835. There is good evidence that he lived in the Cherokee nation (west) in Delaware District in 1851. My Grand Mothers first name was either Betsy or Lucy I am not positive which, none of my people were slaves being pure blood Indians, but may have owned slaves who go by that name. My Grandfathers first name was Redbird and he may be on the roll by that name. There are several different ways of spelling our name and may be it is spelled wrong. It is spelled Tiger Tigar Tygar and Tygor "Tiger" is correct, "Clundutch" being the indian for Tiger. Any further information will be given if necessary. Hoping to hear from you on the subject.

Respt Yours Eugene Tiger

Susan Allen, deposes and says:

My name is Susan Allen. My age is 28 years. I am the oldest one of the family. We have always lived in Indian Territory in Tahlequah and Coo-wee-wee Districts. I claim $\frac{3}{4}$ Cherokee, and the others full-blood. I do not have my Cherokee Roll No. with me. That is the way the Dawes Commission enrolled us. Katy Cannon #4374. and Penia Hanley #4376. We were enrolled for the grass and strip payment. We got our Indian blood from both sides. Peggy Hammer married a Rogers. He is dead. Has been dead about five years. She was enrolled by the Dawes Commission. Mother was about 42 years old. She was born and raised here, but was a year old at the time the war broke out. She got her blood from both sides. I don't know her parents names. Joshua Ross said that James Hammer was my grandfather on my mother's side. I don't know my grandmother on mother's side. Loony Hammer is a half-brother to my mother. He lives at Muskogee. Sister Linzie Duvall, by a different father. My mother's parents were married by the laws they used to have. Gabe Rogers was my father. He claimed $\frac{3}{4}$ Cherokee. He was enrolled for the strip money and also by the Dawes Commission. He is living, and is about 63 years old. I don't think he was enrolled in 1851. I do not know why he was not enrolled in 1851, if he is not. I think he got it from both sides too. His mother was Louiza Rogers, and his father's name Will Rogers. They lived in the Cherokee nation. I think they were all born here. I don't know which ones left the Eastern States. My grandmother on my mother's side was not a slave. None of us are on the Freedman Roll. My father had a sister in the Saxon Fox country. My mother's people were registered as Old Settlers. They were all old settlers, - my father's side too. I don't know what time they came here. Some were Emigrants and some were Old Settlers. My mother's people were Old Settlers. My mother's father and his people were Emigrants. My father and his people were Old Settlers. I do not know any brothers and sisters of my grandparents. James Rogers lived in Canadian District. He was enrolled in Illinois District. I have been told by Joshua Ross, 1851.

deposes and says:

I am 58 years of age; was born in Murray County, Tenn. I claim Cherokee Indian blood through my father and mother. I have been taught all my life that I had Cherokee blood. My father was born in North Carolina and my mother in Hickman County, Tenn. I never saw my father's parents. I saw my mother's mother who was the Indian. She lived in Murray County, Tenn. My father's ~~parents~~ ~~came~~ from mother, Poly Redder who ~~was~~ had the Indian blood moved to Murray County, Tenn., from North Carolina and ~~there~~ died there. My father moved to Missouri in 1855 and died in 1856. My father nor mother ~~me~~ ever received any Indian money from the government. I have never gotten any Indian money from the government and never tried to get any before this time. I never got an allotment from the Dawes Commission. I suppose my father was a voter. I do not know if my parents lived with the Indians in North Carolina. My parents lived in Orange County, N.C., I think.

COURT OF CLAIMS

Rec. FEB 1 1909
No.

513.476.

Vian, Okla, Jan'y 15th, 1909.

Hon. Guion Miller,

Special Agent of the Court of Claims,

Sir:---

In reply to your letter of Jan'y 7th, 1909, in application # 6539. allow me to say, that Steve Johnson is my child by my marriage to Charley Johnson dec. who died about 1902.

Arminta Fulton dec. James Fulton, Joseph Fulton, Myrtle Fulton, & Fannie Fulton are my children by my marriage to Reuben Fulton dec. who was white, and who died about the year 1892. Arminta died Jan II, 1904.

Miriam P. Dunn is my child by my marriage to Samuel Dunn Dec. and who died in 1902.

Said Charley Johnson, Reuben Fulton & Samuel Dunn were my husbands as stated, and all white--the childrens Cherokee blood they get through me---their mother

If my report as to the Dunn children stated they were whites, that was error, and I here make the correction.

I am a Cherokee Indian, and of course that fact makes my children all Cherokees, and at no time had or did any of us affiliate with any other than the Cherokee Tribe of Indians,

My Children by my marriage to Dunn have been enrolled as Cherokees, and not with any other Tribe.

Reply made to FST No. 6539.

Mariam Parlee Dunns name on the Dawes Commission roll is # 15,534.

Dear Sir,

In the supplemental application which you have filed for participation in the Western Cherokee Land, three sets of children were named: one named Johnson, five named Fulton and two named [unclear]. Will you please state the names of the fathers of these children, and also whether these fathers are living, and whether they are Indians. If Indians, state the tribes to which each belongs. You state that all of these children are Cherokees except the two [unclear] children. Are the two [unclear] children Indians? If so, have they been enrolled as members of any other tribe? If not, why do you say that these are your children and yet are not Cherokees? Of the [unclear] children, are they your children, or are they not?

That I am 57 years of age. I first got acquainted with applicant's ^{grand} mother in 1869 and she was about 40 years old then. She was a full blood Cherokee. When I knew her she went by the name of Nancy Waw-stuck. The name of the mother of the applicant was Lucy Waw-stuck. She was about 10 years old when I first knew her. Nancy gave Lucy to my mother and sister and my sister took her to Wisconsin. When she came back from Wisconsin she brought the applicant back with her and told me that her name was B. I don't know Lucy must have been born during the war. I was living in Ft. Smith bottom when the applicant's mother was given to us. This was in about 1870. Nancy had two sisters-in-law, Susie and Katy. Don't know whether Nancy had any sisters or brothers. Think Nancy's maiden name was Bushy-head. Nancy had only the two children, Betsy and the mother of applicant (Lucy). I don't know who Nancy's parents were. Lucy afterwards married a man named Mc Inerney. Lucy received Old Settler money that she drew from some of her relatives. John Gunter's whose postoffice is Redland, Okla. could probably give a good deal of information about Nancy. He gave Lucy all the information she needed when she got her Old Settler money.

Elk Waw-stuck was another of my mother's brothers. Katie and Peggy were her sisters. They went by the name of Waw-stuck. My mother's mother's name was Big Nancy or Nancy Waw-stuck or Na-sih A-gua. My mother's father's name was Joe Waw-stuck. My mother was a full blood Cherokee. I am on the Dawes Commission Cherokee roll #21575. I have been married before and was enrolled by the Dawes Commission under the name of Katy Hardee. Hardee was the name of my first husband. My mother had another sister named Betty. All of my mother's brothers and sisters are dead. None of their children are living. My mother was up in Wisconsin a couple of years. She went up there with some white people and I was born there. That I am 59 years of age. I claim my Indian descent from my mother; my father was a white man. I have, however, by the name of Jan's Real and he has a daughter by the name of Rachel Parker (26932). Rachel Parker's mother is a white woman. My mother's father is a black Indian. All the rest of my grandparents were white. My mother's father's name was Joe Prester. My mother was born in what is called in Seaboard Co., Ga. She was 35 years old when she married and she had about 31 years ago. I don't know whether my mother ever lived with the Indians or not. Her father was a white man and the Indian woman my mother married was a white woman. Don't know why my mother was not married away but she stayed with her father. They were living in Seaboard Co., Georgia when he was married away. My grand father, Joe Prester, was not on any roll that I know of and my mother was not that I know of. I don't know where the Indians were. Don't know where my mother was married. My grand father was a white man and he was a white man. My mother never had any children. Don't know what Joe Prester was doing at the time she was married. I don't know what my mother was doing that I know of. I don't know what she was doing when she was married. Never received anything from her and she was not by the name of Joe Prester.

Sir:

Relative to your application for participation in the
land arising from the judgment of the Court of Claims in
favor of the Eastern Cherokee, I have already said that
it is not your own land. About what were your parents, and
the land they were living in then, and the full name
of your mother, and on the side through which you claim,
at what place, and, residing in 1835. Are your parents
or grandparents on either side slaves? If so, state whether
slaves of Indians or white people. Give the names of your
uncles and aunts on the side through which you claim. Why
have you never been enrolled?

Can you furnish us with evidence tending to establish
the fact that you are a descendant of persons who were recog-
nized members of the Eastern Cherokee tribe of Indians at
the date of the Treaty of 1835-36 and 1846? If so, please
state what the evidence is, and send us the names and correct
addresses of any witnesses who will testify to that effect.

I Personally came before the undersigned attesting officer Andrew J. Silvers who being by me duly sworn de-
positeth and saith:

I know Joseph Beal, applicant for Eastern Cherokee Indian Funds, App. No. 6547. We were boys together & I know his mother, Nancy Beal and his father John Beal. Joseph Beal's mother, Nancy Beal, was commonly recognized as a half Eastern Cherokee Indian woman and her looks showed her to be such. She had long black hair and black eyes and a bronzed colored skin and the features of the Cherokee tribe of Indians. She was strongly marked with the Indian blood in her appearance. She never denied, but always claimed to be a half Eastern Cherokee Indian and her husband called her an Indian. I am 61 years old. I served as a soldier sailor in the United States Navy in time of the Civil War. This woman, Nancy Beal, resided at the Eastern Cherokees, I saw her on my travels. I left at Round Top, Tex. another U.S. soldier, knows these facts. John Parker, an old Indian at Chippewa, Tex. knows these facts. I saw old Mr. Chippewa, Tex. also knows these facts. I do not doubt at all that Joseph Beal is an actual descendant of the Eastern Cherokee nation tribe of Indians who were recognized as such at the time of the Treaty of 1835, 1846. I have seen and subscribed to the same. And on July 13th 1908

I am an applicant for Eastern Cherokee funds. My application No is 6547.
I was born in DeKalb Co. Ga. My parents were
born about the year 1830 or soon afterwards accord-
ing to our family history. They resided within three miles
of Roswell, Georgia. My parents and grand parents were
not slaves. They were white on my father's side
and Eastern Cherokee Indian on my mother's side. I
have heard my mother say that she was only about
three years old when her father, a Cherokee Indian was
carried west with the Indians from Georgia. I have
no uncles and aunts on my mother's side, through which
I claim. She had no brothers or sisters. I do not
know why I have not been enrolled. I did not know that it
would benefit me and I don't suppose my mother knew it.
My mother is said to be a half Eastern Cherokee Indian wo-
man. She was more than 25 years old when she died. She
had every appearance of being a genuine Eastern Cherokee In-
dian. She was the daughter of Joseph Proctor, a full
blood Eastern Cherokee Indian. His hair and eyes were black
his skin a bronze color and he had the Cherokee features
and type. I enclose evidence to show that I am a de-

No. 6556

Susan Smith, after being first duly sworn, deposes and says:

I am about 33 years of age; I claim my Indian blood through both my mother and father. My mother lived with Jeff Hays who owned her. This was in Cherokee County. She was born and raised here. Her mother was a full blood Indian. Her name was Lou Scott. She lived in Burke County, N.C. She never received any Indian money. My mother never received any Indian money. My grandmother was free. My father was Henry Whittaker. He was not in bondage. He was not real black but a ~~black~~ part Indian. His father was white and his mother Indian. He was about 80 years old when he died. He lived at Andrews, Swain Co., N.C. He never received any Indian money from the government. I never heard him say anything about being enrolled. I was small when he died. My mother told me of my Indian blood. She was about 45 when she died. Lida Parker, 7538, is my sister.

Appl. #6556

January 3, 1908.

Susan Smith,
Murphy, N. C.

Dear:

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, about when and where were your parents born? When and where were the parents of your grandparents born? State where they lived in 1835-36 and 1846. State the names of your uncles and aunts through which you claim. Were there any slaves of either side negroes or Indians? If the latter, state whether slaves of Indians or white people.

Can you furnish us with evidence tending to establish the fact that you are a descendant of persons who were recognized members of the Eastern Cherokee tribe of Indians at the date of the Treaty of 1835-36 and 1846? If so, please state what the evidence is, and send us the names and correct addresses of any witnesses who will testify to that effect.

Very respectfully,

Very truly,
Yours,

Special Commissioner.

Hon. Guion Miller, . Special Commissioner.
Washington, D. C.

Dear Sir:-

In reply to your letter of Jan, 3rd, in reference to my application for participation in the Eastern Cherokee funds, Appl, No, 6580; will state that I know but very little about my ancestors.

They came west before I was born, and both parents died when I was very small, consequently I never knew very much about any of them. I don't know my father or mother's English name.

Father's Indian name was Gee-su-gah-nah.

Mother's Indian name was Oo-lu-jah.

I only know the name of one aunt on my mother's side her name was Jah-wah-yu-gar.

They lived in Going-snake District Cherokee Nation in 1851, and I suppose were put on the Eastern Cherokee roll in that District. I don't know in what year they emigrated to the Cherokee Nation, nor from what State they came. They were full blood Cherokee Indians, and I have been told from infancy up that they were both Eastern Cherokee's.

I do hope that you will now be able to locate me as a descendant of the Eastern Cherokees, and that I will be able to participate in this fund.

Thanking you for the special interest in my behalf.
I am, Yours truly.
